This year's performance opportunities

For several years we have been delighted that Jane Hutt AM has invited our finalists to perform at a reception at the Senedd and the response from our young performers made the committee realise how important this extra performance opportunity was. Our search for additional opportunities culminated in a meeting with the Tesco Stage co-ordinator at the Wales Millennium Centre and the offer of three dates at prime times over the next year.

The first performance was held on Saturday 9th August 2008 and was a resounding success. Seven of our 2007 winners performed in front of a large audience of Music in the Vale supporters and pre-theatre goers and their enthusiastic applause rewarded our performers for the hard work they had obviously put into their programmes.

The second Tesco Stage Performance took place on Saturday 13th December and nine of our 2008 winners were able to take part. In your diaries and come and enjoy a feast of music from more of our 2008 winners.

Additional dates for your diaries

Friday 27th March (6:15-7:15) on the Tesco Stage, Wales Millennium Centre

Saturday 22nd August at 1pm before the Sound of Music matinee.

Friday, 19th June at 5:00pm . Please come along, everyone is welcome.

The above dates and more information are also available on the Opportunities pages of our website www.musicinthevale.org.uk.

membership

Just to remind you all, if you haven't yet sent in your membership cheque for 2009, it is not too late. A minimum of £5 per person will get you membership and free entry to both Competition Concerts on presentation of your membership card.

If you would like a 'greener' version of this newsletter in the form of an email attachment, please email the secretary with your preference. All Newsletters can also be found on our website.

RSS FEED – Really Simple Syndication is a relatively new and easy way to distribute content via the Internet. When you visit our site, simply click the RSS icon on the home page and subscribe to the feed. Important news and informative messages from the website are then automatically fed to your computer when you open Internet Explorer (you may need to find and open the RSS Folder to view the feeds).
